No. 3228-1), all claims for injunctive relief to redress environmental injury caused by the 2.0 Liter Subject Vehicles and the 3.0 Liter Subject Vehicles (jointly, "Subject Vehicles"), whether based on the environmental or common law within its jurisdiction. This waiver is binding on all agencies, departments, offices, and divisions of the Beneficiary asserting, purporting to assert, or capable of asserting such claims. **7. Publicly Available Information**

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust Agreement, unless the laws of the Beneficiary require a longer record retention period. **8. Notice of Availability of Mitigation Action Funds**

The Beneficiary certifies that, not later than 30 Days after being deemed a Beneficiary pursuant to the Trust Agreement, the Beneficiary will provide a copy of the Trust Agreement with Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any other Federal agency that has custody, control or management of land within or contiguous to the territorial boundaries of the Beneficiary and has by then notified the Beneficiary of its interest hereunder, explaining that the Beneficiary may request Eligible Mitigation Action funds for use on lands within that Federal agency's custody, control or management (including, but not limited to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Beneficiary will review, consider, and make a written determination upon each such request.

**9. Registration of Subject Vehicles**

The Beneficiary certifies, for the benefit of the Parties (including the Settling Defendants) to the Partial Consent Decree and the Parties to the Second Partial Consent Decree (including the Defendants) and the owners from time-to-time of Subject Vehicles, that upon becoming a Beneficiary, the Beneficiary:

- (a) Shall not deny registration to any Subject Vehicle based solely on:

  - ii. Emissions resulting from such a defeat device or AECD; or
  - iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.

  - ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
  - iii. Other emissions-related vehicle characteristics that result from the modification; or

- iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Beneficiary by the Defendants.
- (d) Notwithstanding the foregoing, the Beneficiary may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA's or the Beneficiary's failure criteria for the onboard diagnostic ("OBD") inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act and not explicitly excluded in subparagraphs 9(a)-(b).

10. Reliance on Certification

The Beneficiary acknowledges that the Trustee is entitled to rely conclusively on, without further duty of inquiry, and shall be protected in relying upon, this Appendix D-3 Certification, or a subsequent communication from the Lead Agency designating new or additional authorized individuals, as setting forth the Lead Agency and the authorized individuals who may direct the Trustee with respect to all of the Beneficiary's rights and duties under the Trust Agreement. ## **MARYLAND CERTIFICATION FOR BENEFICIARY STATUS**

### **Attachment 1 to Appendix D-3**

#### **Certification for Beneficiary Status**

##### **Section 7: Publicly Available Information**

In accordance with paragraph (7) of the Certification for Beneficiary Status required under Appendix D-3, this Attachment 1 provides the following:

- (i) All documents and records submitted to the Volkswagen Mitigation Trust Trustee, Wilmington Trust (“Trustee”) by the Maryland Department of the Environment (MDE) in support of each funding request for expenditures of Maryland’s portion of the Volkswagen Mitigation Trust Fund (“Trust Fund”), pursuant to the Maryland Volkswagen Mitigation Plan (“Mitigation Plan”), will be maintained and accessible on a public facing webpage hosted through MDE’s current website. MDE’s Mitigation Plan webpage will be the main tool used for disseminating information regarding expenditures from Maryland’s portion of Trust Fund. Additionally, the general public may make requests for information pertaining to funding requests and Trust Fund expenses through MDE’s Public Information Act Coordinator, in accordance with Maryland’s Public Information Act.
- (ii) The Mitigation Plan will be made available for an initial public comment period of at least thirty days before MDE submits the Mitigation Plan to the Trustee. During this comment period, the Mitigation Plan will be available on a website developed by MDE that is dedicated to MDE’s Mitigation Plan, <http://www.mde.state.md.us/programs/Air/MobileSources/Pages/MarylandVolkswagenMitigationPlan.aspx>, as well as MDE’s home page (<http://www.mde.state.md.us/Pages/index.aspx>). MDE will provide an email address ([mde.vw@maryland.gov](mailto:mde.vw@maryland.gov)) for use by the general public, local governments, communities and other interested parties for submitting comments on the Mitigation Plan. After the initial comment period, MDE will review all comments. Any response MDE has to comments received during the comment period will be provided to the public through MDE’s Mitigation Plan webpage. MDE will determine to what extent changes to the Mitigation Plan are warranted on a comment-by-comment basis. Any changes to the Mitigation Plan will be made available to the public before final submission to the Trustee. Any future change to the Mitigation Plan will also be made available to the public for comment before submission to the Trustee.

- (iii) Any information or documents provided to MDE in support of a project eligible for funding under the Mitigation Plan are subject to public disclosure pursuant to the Maryland Public Information Act, Md. Ann. Code, General Provisions Article, Title 4 (“PIA”). As required under sections 4-334 and 4-335 of the PIA, however, MDE must, in certain circumstances, deny inspection of specific information contained in public records. That information, includes, but is not limited to, social security numbers, trade secrets, confidential information and financial information. Accordingly, any document provided to MDE under the Mitigation Plan that contains social security numbers, trade secrets, confidential information or financial information should be marked as “privileged and confidential.” MDE shall take measures to ensure that the marked documents remain confidential, including, but not limited to: (a) maintaining such documents in separate files; and (b) restricting access to documents to MDE staff, attorneys, or other legal or technical staff or consultants that require the documents to perform their duties. Failure to mark documents will not render them disclosable or otherwise waive any applicable privilege, claim of confidentiality, or exemption pursuant to law. The requirement to mark documents does not apply to other privileged or confidential documents that are subject to withholding at MDE’s discretion in accordance with the PIA, Title 4, Subtitle 3, Part IV. Any public records involving MDE’s decisions related to eligible projects and other interagency and intra-agency deliberative information are subject to discretionary withholding by MDE.
